

## 2025 Miscellaneous Roadway Improvements Project Update

City of Lakeville Public Works

# Construction Update

### Private Features in City Right-of-Way

If you wish to protect private features from damage during construction, please temporarily remove them from the City right-of-way. [Visit the project website for a video demonstration of areas impacted by construction.](#)

### Phase 3: Downtown Area

- **Week of September 8:** Paving of the roadway will take place at the beginning of the week, with the removal of traffic control to follow.

### Phase 3: Market Plaza

- **Week of September 8:** Parking stall painting is set for early in the week, after which the lot will be opened.

### Phase 5 is on hold due to wet conditions.

Further updates will be provided as the project progresses. ***The schedule may be shifted due to weather and unexpected delays.***

Please be cautious and reduce vehicle speeds when approaching crews working in the roadway. Construction personnel will notify drivers, via hand signals, when it is safe to pass around moving equipment.
